## A Home from Home

At MKU, most new undergraduate students are provided with accommodation where they do a lot of their studying and socializing. You will meet a whole cross-section of people from around the country and the East African region with their own unique interests and passions.

We also provide many opportunities to engage socially - in activities such as sports, performing arts and voluntary work. There are numerous sports, clubs and societies for students to choose from. MKU has a proud record of achievements in national and international co-curricular university competitions such as drama, ball games, athletics and indoor games.

**Students work in teams to develop skills and the attitude needed for intellectual engagement**

# Welcome by the Chancellor

Mount Kenya University programmes offer you the chance to engage with academics at the forefront of cutting-edge research and to contribute to addressing our global challenges.

Thank you for taking the time to explore and find out more about Mount Kenya University (MKU), one of the leading chartered universities in Kenya. At this point in your secondary school education, we are delighted to introduce to you our industry-focused courses that will enable you to realise your dream career.

We provide an exciting range of opportunities and experiences. Our students leave with a greater sense of purpose and global outlook, and the skills and confidence to make positive change – to their own lives and to the lives of those around them.

From its beginning as a middle level tertiary college in the early 1990s, MKU has grown to become one of the biggest universities in Kenya and the East African region, offering broad-based market-oriented programmes from certificate, diploma, undergraduate, masters to doctorate levels.

If you are looking to study at a leading university with a wide choice of high quality industry-driven programmes, then seek no further than MKU.

We offer courses in **Medicine, Health Sciences, Pure and Applied Sciences, Engineering, Law, Education, Computing and Informatics, Business, Economics, Hospitality, Travel and Tourism Management, and Social Sciences**. Because of its market-driven programmes, MKU students are greatly sought after by employers, making the University have one of the highest graduate employment rates in Kenya as demonstrated on page 54.

The University has its main campus in Thika town, with a well-structured network of campuses offering quality education to Kenyans, the larger East African Community and has a footprint in many nations through digital learning.

**Prof John J. Struthers**

MA (Hon), MPhil, FRSA, FHEAS  
Chancellor

## Word by the Vice-Chancellor

Our faculty and students pursue innovative scholarship in health, pure and applied sciences and social sciences where individuals of all backgrounds create a learning community that values a multi-faceted approach to education.

Being one of the leading universities in Kenya and the East African region, MKU will equip you with a contextually-grounded, world-class education. We train our graduates to become accomplished innovators, job creators and thought leaders.

You will be taught and mentored in an academically challenging and intellectually stimulating environment by academics who are experts in their respective fields. We have invested in ultra-modern learning facilities that match global standards, which include state-of-the-art science and anatomy laboratories; ICT centres; lecture theatres and tutorial rooms; demonstration rooms and studios – the tools you need to explore and excel.

Wherever you walk around campuses, you'll come across purposely built spaces, such as the Study Villas, to meet with colleagues, take time out, or get ahead on your

assignments. Additionally, we are very much alive to the fact that a healthy body begets a healthy mind. Thus, we also offer our students a wide range of cultural and sporting activities through our many student clubs and societies. Whether you are looking to get into shape and have fun too, or you are gearing towards professional sports, there are plenty of ways to make the best of our sporting facilities.

The *MKU Career Prospectus for High School Students* is intended to empower secondary school students with functional information on post-secondary training in Certificate, Diploma, Bachelor's, Master's and Doctorate levels at one of Kenya's leading universities.

## Experts rank MKU among best Medical Schools in East Africa

MKU's programmes across the various disciplines have been ranked among the best in Kenya and the East African region. Specifically, the University's Medical School has firmly established itself as a leader in the training of medical personnel. The Annual Inspection of East African Medical and Dental Schools, which is conducted by health technical experts from the Medical and Dental Practitioners Boards / Councils from the East African Community (EAC) partner states, has ranked MKU at the top.

The inspection focuses on quality of academic programmes, human resource, student affairs, infrastructure, monitoring and evaluation of programmes, research and innovation and general compliance with set guidelines.

## **Owilah Martin O.**

An alumnus of MKU and a rugby player for Kenya Commercial bank Rugby club and Kenya National Rugby Simba 15s Team. It has been a great MKU Experience, a journey that started with an award of a sports scholarship due to my exemplary performance in diploma in Community health and then completed a Bachelor's degree programme in Community Health and development that gave me the privilege to serve in the same university as an intern in the student's welfare department and also running my own mentorship initiative by the name Mentor-ME Generation a program that enables students to exploit their talents as they pursue their education.

I was privileged to be part of the MKU Titans rugby team that won the KUSA Games in the season 2017/2018. In year 2017 served as the MKU student's president a position that honed my leadership skills and have a wide range of network.

*Welcome to MKU to pursue your dream career.*

## **Lindah Koskey**

I am a senior business reporter at K24 TV

Holder of a first class degree in Bachelor of Arts in Mass media and communication class of 2018.

I was also the Chairperson Drama club and the MKU Basketball ladies team captain.

## MKU students win 'Top Story Season 2' journalism contest

They represented Mount Kenya University (MKU) at the Top Story Season 2 investigative journalism competition organised by media firm, Africa On Air. The reality show aired on KTN Home.

Of the investigative pieces that the 20 participating universities presented, the trio's story, 'Taps of Misery', edged the rest.

*Award-winning journalism students, their colleagues and staff celebrate the win.*

## My life-changing experience as Erasmus+ programme beneficiary

### Everlyn Wairimu Kahinga

I am a course finalist in the Bachelor of Science in Travel and Tourism Management, and an Erasmus+ programme beneficiary. I spent the winter semester as a student at Vincent Pol University, Poland.

*MKU's hospitality students Everlyn Wairimu Kahinga (second left), Winnie Otieno and Brian Alphayo Esikuri with international colleagues during their study tour in Poland.*

## Call me His Excellency Deputy Governor, but I'm also a proud alumnus of MKU

### **Martin Moshisho Martine.**

I am the Deputy Governor of Kajiado County, so people address me as "His Excellency". Importantly, I am a proud alumnus of Mount Kenya University, and I have returned as a postgraduate student. I first joined MKU in September 2009 to pursue diploma studies in banking and finance. In 2014, having moved on to degree studies, I graduated with a Bachelor of Business Management (Human Resource). I'm currently pursuing a Master of Business Administration, still at MKU. My leadership abilities were sharpened when I effectively and efficiently served as President of Mount Kenya University Student Association. This is a true testimony that MKU is committed to the training of generations of leaders

# MKU CONVENTION CENTRE

---

Mount Kenya University Convention Centre has a capacity of 2000 people accommodated in three deck levels. It also has seminar rooms, offices and utility areas. It is designed to be used as a Convention Centre to serve a variety of purposes such as staging of plays, music, presentations, speeches etc. The design concept is a timeless shell where ideas and innovations are enveloped. The structure also rises gradually from a focal point of knowledge and graduates dynamically towards new inventions. The science behind the structure has taken into consideration high level of acoustics and design of detailed sight lines to ensure an all-inclusive audience participation. Whereas there's use of local materials, there is also incorporation of modern materials to ensure the audience enjoy best ambience.

## SCHOOL OF LAW

Law affects all of our relationships: With other people; with banks and companies; and with governments. The MKU School of Law was started in 2009 and is housed at the Mount Kenya University Parklands Campus within the Capital City of Nairobi. It is fully accredited by the Commission for Higher Education and Council of Legal Education.

The Law Campus has state-of-the-art library, reading areas, ICT facilities, moot court, and online research journals, among other academic resources. From company law and cybercrime, to music and medicine, our law programmes at certificate, diploma and degree levels prepare you to put theoretical knowledge into practice whether in Kenya or internationally.

**The best lawyers, the best teachers, the best public servants, the best entrepreneurs are those who take opposing arguments seriously, who listen generously and who approach others with empathy and respect.** —John F Manning

# MKU graduates among top 10 in employability

MKU has consistently been ranked among the top 10 Kenyan public and private universities with the highest employability rate. Studies on the *State of Graduate Employability in Kenya* by the CPS Research International, a market and social research firm, indicate that MKU has one of the highest graduate employability rates in Kenya out of the 67 public and private universities surveyed. MKU's leading position in higher education is further amplified by the fact that it is the most preferred of all private universities by employers.

## Top five most preferred private universities by employers with highest employability ranking

Ranking	University	No. of graduates	Percent
	Mount Kenya University	2,300	7.0%
	United States International University	700	2.1%
	KCA University	540	1.7%
	Strathmore University	510	1.6%
	African Nazarene University	460	1.4%
	Total	4,510	13.8%

In the last 10 years, MKU has firmly earned its position as a leading institution of higher education as demonstrated by the rising student enrollment and the annual university graduates population.

## Annual university graduates population

Ranking	University	Annual graduates	Percent
	University of Nairobi	11,200	12.9%
	Kenyatta University	8,550	9.8%
	Moi University	7,100	8.2%
	Mount Kenya University	7,000	5.9%
	Jomo Kenyatta University	5,100	5.2%
	Egerton University	4,500	4.8%
	Maseno University	4,200	4.1%
	Technical University of Kenya	3,200	3.7%
	Masinde Muliro University	3,000	3.5%
	University of Eldoret	2,100	1.7%
